

Comments : While at the "Red Barn" on Fri. with the ministry team from Global, Tim asked me to minister to a young lady that needed to rededicate her life, and break off some stuff, when I asked her what she was struggling with she shared with me, that she had lymes disease and was having trouble coping, she had it dormant in her body for 9 yrs. and now symptoms were manifesting. She got right with God, and then I placed my hands over hers but not touching and she felt heat, I asked her if she had pain anywhere she said yes, in my knees, so I asked the Lord to send the heat & heal her knees and she was so shocked as the pain left, she was estatic.. yeah God, her countenance changed & I saw her smiling throughout the day, she had hope restored and excitement. I later found out, her whole family contracted Lymes, please keep them in prayer, mom, dad & her sister.

Later when Tim asked if anyone who had gone on a "Global Trip" had a Word of Knowledge, to please come forward, I had two, and one came as I stood to give the first one, upper left mouth pain and a heaviness, not necessarily depression, just a fog and not yourself, a heaviness, Tim asked of the mouth pain, and a teenage girl said, I have pain on the upper right side, ok that's fine, right or left and then shared for the other word, if that's you, and you don't want to come forward, meet Bev in the back after the service and she'll pray for you. So I prayed for the right side and the girl was healed, and then a lady motioned me to come over, she said, "I have left mouth pain, and the other word was for me, so praise God, the Lord relieved her of her pain and after ministering to her she felt a weight lift... Later while the team was praying, a young girl came to me, feeling fear and such, I commanded fear to leave she was smiling, & then I prayed & she felt tingling go through her body and was excited as I did not touch her, I placed my hands over hers, the Lord impressed on me they need to know it's "Christ in them" I'm in them, the same anointing, etc.. she was very excited, then a man came to me and I prayed for him and the Lord loosed him mightily and wow what a beautiful smile, his whole countenance changed, and lastly I got to pray for a precious Lady and God healed her and strengthened her.. God is pouring out on all flesh and we get to colabor with Him yeah!!!!..Bev Q.
